hello sgt walker and bladimir, please confirm that next tuesday 3/28 is operation healthy streets on towne ave between 4th and 5th street? we will be fencing the east side of the sidewalk as you clean. same as we have already done on the west side. i'd like to coordinate this group effort as efficiently as possible. should go much faster for OHS since the west side is already free of camps and sidewalk has already been pressure washed.

please let me know the best time to have my fencing crew there. i tentatively have them scheduled for 10am.

oh, i will post our sidewalk fencing permit tomorrow morning giving everyone at least three days to move.

btw... we also need to fence the north sidewalk along 5th just east of 4th for about 150 feet. when is operation healthy streets cleaning that?

best,
m
